Principal- Alicia Mitchell, Assistant Principals- Jeff Marchant, Quincey Mogolich, Patrick Andrus

Silverwolf Students & Parents,

Welcome back! I would like to take a quick moment to introduce myself. My name is Alicia Mitchell and I will be the new principal of Fremont High School. What an incredible place to serve students! I had the opportunity to become a Silverwolf in 2009 after moving here from out of state. I taught English and coached for several years at Fremont and loved it so much that we decided to make Plain City our home. Since that time, I returned to Fremont as an assistant principal two years ago. Fremont is a truly special place with a legacy of excellence. I am honored to continue to be a part of that great legacy! I hope you are all enjoying summer break. This year our school theme is **“The Pack is Back”**. Included in this letter is information about online registration for the upcoming school year, calendar information, and the bell schedule. The first day of school is August 25, 2021. The first week of school is an early out schedule with school beginning at 7:55 a.m. and dismissing at 12:15 p.m.

Registration forms are found *online* again this year and can be accessed through the Weber School District’s MyWeber website at <http://myweber.wsd.net> beginning July 5. Please access this process by logging in using your parent account. Once logged in, follow the promptings and instructions. Please take this opportunity to update emergency contacts for your student. Both Guardian **and** Student must digitally sign school and district documents to continue the process to connect you with Fremont High School enrollment information and forms.

New Process to receive Class Schedule:

This year, you will be able to print out your own schedule after registration forms have been digitally signed and registration fees have been paid (online payment preferred). Beginning August 5, after electronic signatures and registration payment have been received, the student will be able to log into their portal account to view/print their own class schedule. This new process will take the place of the “schedule pick up day” that has been held in August in the past.

We strongly urge you to pre-pay the enrollment fees online. This is found in the last step of the online-registration process and will not show until you have digitally signed all documents. The link to pay fees will be available for registration payment beginning **July 19th.**

Please return only necessary extra forms to the main office. Please mail them directly to the school. These forms may include any of the following:

- Student Medical Information (Update annually)
- High School Parking Permit Application
- Fee Waiver Application (found with District forms, if applicable). Must have a copy of last year’s tax return information included or proof of income demonstrating compliance with requirements consistent with state law and school district policies and/or guidelines. If

applying for a Fee Waiver: Once the Fee Waiver Application and correct proof of income is received at the school (STRONGLY encouraged to mail this in), your student's schedule will be released, just as if you had paid online. The school will contact you with the status of your Fee Waiver Application.

- Community Council Application
- Special Services Form - if applicable (found with District forms; i.e. IEP, 504)

Again, we STRONGLY encourage all to pay online instead of coming to the school.

Pictures for the yearbook and for student activity cards (required for school attendance, admittance to all school sponsored activities, paying of fees, and purchasing school lunch) will be taken on September 2, 2021 and September 3, 2021. **Students must meet the school dress code to have their picture taken.** Picture packets must be paid on the day of pictures or online through Bell photography. A picture packet flyer is included in the online registration information.

We look forward to a fantastic year!

Sincerely,

Alicia Mitchell
Principal
